

Math and RC Information Session Invitation for Parents

Dear DeMasi Parents,

We are excited to invite you to a special presentation that aims to provide valuable insights into our Math Program and the Responsive Classroom Approach to instruction.

Date: February 21st

Time: 6:30-7pm

Location: DeMasi Library

During this 30-minute session, we will dive into the components of the Math Program, offering you a deeper understanding of the structure of a math lesson and the wealth of resources available within the program. This knowledge will empower you to better support your child's learning journey.

Additionally, we will focus on the Responsive Classroom Approach, shedding light on positive teacher language and the significance of morning meetings. This aspect of our educational approach emphasizes a positive and inclusive learning environment for all students.

We look forward to sharing this informative session with you and answering any questions you may have. Thank you for your continued partnership in your child's education.

Best regards,
Angela Masson and Jennifer Brown
DES Math Coaches
Maria Krzdlo and Heather Ergood
DES Responsive Classroom Coordinators
